

Available only for hotel guests

Fully enjoy taking a walk out in the sky! Tandem Flight

Visitors can participate in a double-paragliding tandem flight activity with an instructor after a 230-meter high takeoff, which is often used by pilots. The breath-taking view of the nature, the city streets of Sendai, and the Pacific Ocean is overwhelmingly beautiful. This activity is available for beginners to enjoy as well.

Period ~Sunday, November 4, 2018
Unavailable on Tuesdays
