# Cruising through the greens

Available only  
for hotel guests

Go on a cruise in the woods inside the golf club located only three minutes from the hotel by car. Get on an auto-driving cart, and enjoy beautiful sceneries that are different from what you would see when walking or running away from the business of the city. Fathers can take a little break playing golf and be a tour guide. Enjoy this beautiful cruise tour with your family and important ones. You might encounter a wild animal if you're lucky.
