# BLUEBERRY PICKING

Tomiya Official Character  
"Buruberikko" and "Burupiyo"

“Tomiya Blueberry”, a brand of blueberries certified as a “non-chemical agricultural product grown with reduced chemical fertilizers” by Miyagi Prefecture. At the “G7 Ise Shima Summit” held in May, 2016, the juice made from Tomiya Blueberry was served as a sign of hospitality to the leaders of each nation, and has been rumored for its high quality at many places. Tomiya Blueberry is also actively used as an ingredient for “Tomiya Sweets”. We hope you will
